

Cuba 2014

October 6th through the 10th, 2014

Cuba.... Charming, Adventurous, Colorful, Exciting, Exotic, Fascinating, Passionate, Enchanting, Musical, Forbidden, Prohibited.... and we have a license for you to go.

Join Jack, Claudia, and other BBP members as we “do” Cuba for the second time this year. So...it will be adventure, fun, and laughter as we spend five days in the do our first group trip into the magical country of Cuba.

All will meet up in Florida where the morning of departure, we will have a quick meeting as to what we will be doing; what to expect; what you should not do; and a lot more. Don't sweat it, this will be my fourth trip to this fun and interesting place and I've come back every time.

Day 1, Monday, either Miami or Fort Lauderdale.

We will gather in the morning to have the quick orientation meeting as indicated above and then it is to the departure lounge where we will clear US Customs, board our chartered aircraft (a 737) and will depart for our short one hour flight to Havana.

Upon landing, we will be met at the gate by our VIP host who will walk us through Immigration and Customs to the VIP lounge get together prior to boarding our charter bus to take us to our hotel.

That evening it will be dinner at one of our favorite Paladars followed by perhaps a drink or two in the Churchill Lounge prior to retiring for the night at Cuba's most famous and historic hotel, the Hotel Nacional.

Day 2, Tuesday, Havana

Following breakfast at the Nacional, we will gather at the entrance of the Nacional for our first Person to Person event exploring Old Havana. Then, after lunch, all will continue our Person to Person quest by visiting and spending some time in the Public Marketplace where you will have the opportunity to barter for things that are a must as well as watch various craftsmen as they make objects of art that depict the essence of Cuba.

Dinner that night will be at the Hotel Nacional, where we will be entertained by the world famous “Buena Vista Social Club”.

Day 3, Wednesday, Havana

Ok guys, today is the day to learn the Salsa. No, we are not going to a bar and wiggle our hips; we are going to a dance studio where we have made arrangements for a professor of dance to teach us how to Salsa. No, once you are done you will not make it to “Dancing with the Stars” however, you will have learned about the history of Salsa, learned the basic steps, and will wow all your friends once you're back in the

states with how well you dance....

That afternoon, we are continuing our emersion into Cuban culture as we learn more about Hemingway. We will visit his home, the harbor where he kept his boat, as well as hang at the bar that he made famous.

That night, we will be going to a “back alley” (yesss!) Salsa club where, guess what, we will do the Salsa. Music, fun, laughter, and more. It is Cuba.

Day 4, Thursday, Havana

Today we meet with authorities from Cuba’s air traffic control representatives and the people who issue landing and over flight permits. There will be emphasis on who can cross Cuba, the costs involved, the routing of the flight, emergency procedures, and more.

That evening just might be the highlight of the trip as we will have dinner at the fabulous Parisienne Cabaret. One of Cuba’s most popular Cabarets, there will be music, song, dance, and a lot more.... Only in Cuba.

Day 5, Friday, Depart home

Today, after breakfast, it will be time to pack and get ready for our flight back to the States. We have arranged for VIP service at the airport so, once we arrive at the airport on our chartered bus, our VIP guide will meet us and walk us through all the procedures, making everything simple and easy.

Then, it is the short one hour flight back to Florida where we will clear US Customs, say goodbye to all your new (and old) friends, and head back to home or wherever.

Cuba '14. Memories to last a lifetime.... See you there.

Note: events, hotels, restaurants, etc. are all subject to change without notice

Cuba 2014

Several concerns

- 1) That you fill out the form on your computer prior to printing it out. This is critical as we must be able to read all information and transfer it to the charter people for eAPIS, etc.
- 2) That the name you put on the registration from matches your passport information
- 3) That you include a copy of the information page of the passport of all travelers on this trip.

By the Numbers....

- 1) US issued Person to Person travel License
- 2) Letter of travel authorization
- 3) Travel/health insurance
- 4) Round trip charter flight to/from Cuba/Florida
- 5) VIP handling upon arriving Havana
- 6) Four night accommodations at the Hotel Nacional (or equal)
- 7) Welcoming drink and briefing upon arriving at the Hotel
- 8) Expert Cuban guide who will lead us on our People to People activities including insider access to Cuba's famous places as well as private visits and lectures with Cuba's experts
- 9) All scheduled breakfasts and dinners while in Cuba
- 10) All entrance fees to scheduled activities and events
- 11) All scheduled in-country ground transportation including airport transfers
- 12) Emergency contact information for the American Sector (US Embassy)
- 13) And, Claudia and/or Jack to take care of any problems you may or may not have as well as to assist in inside information.

The above is what you should expect however, as with all our trips, the biggest surprise is no surprise. And the surprises seem to work out better than what was planned....

This will be Jack's fourth trip to Cuba, Claudia's second. Yes, we have been there and done that. With the additional knowledge that we have acquired, we've learned of some amazing not to be missed places, what to do, and how to make this trip really interesting and a lot more fun....

Ready to go? Page down and fill out the form; print and fax or email the form to us, and you will be set.

Now For the Details and The “Legal” Part

Like any long-distance travel venture with personal aircraft, there are some things we can do and others that are beyond our control. The BBI wants to recap those so there are no misunderstandings about any of it. After all, we take some of your money and this is what we can give and cannot give you for it:

We do and/or provide:

Try to find and pay for the best hotels with clean and comfortable rooms, some meals, occasional good music and periodic libations.
Arrange for fun side trips and excursions
Set up receptions for when you arrive
Suggest the best routes and times to fly
Provide some bus/rail transportation/shuttles
Provide airport security at some locations
Provide liaison with the hotels, airports, etc
Act as gracious host, cinema photographer, and confessional box to those who need it
Help to find assistance or mechanic if needed in case of an aircraft mishap or funny landing
And most important, we do provide an opportunity for a unique experience with fellow pilots and fliers, which generally proves to be more fun than you know what to do with.

We encourage you to obtain and possess (you can't get here without some of them):

Proper passports, visas, aircraft permits, licenses, insurance, emergency equipment
Aircraft and personal insurance, a flight plan, emergency information
Safety equipment, emergency equipment, pre-flight weather briefings
Proper charts, weather information, in flight data
Credit cards or cash for fuel, parking or airport fees, customs, immigration, or other duties required in foreign countries
Medicines with prescriptions, protective Rx's for heat, sun, insects, rashes, Montezuma's gift for *gringos*, and other common or not so common maladies.
Clothing, flashlights and any special diet foods

We cannot provide:

That the route, hotel, area, etc. that we travel to/stay in will be as indicated:
Weather/flight/route guarantees
Five-Star Accommodations, electricity, hot water, and sometimes even water.
Guarantees of your safety or security, or that of the aircraft
Perfect landings or landing strips, tie downs everywhere, Taxis, umbrellas in the rain
Medical, Accident or Evacuation Insurance
Refunds if weather or aircraft conditions prevents you from arrival at any destination
Additional expenses for the pilot and/or passenger because of delays of any kind.
Guarantees against everything from mosquitoes to funny critters
Changes in foreign governments' policies on customs, immigration, fees, taxes
Insurance for any of the items mentioned above

So, for that and all your money, your self and all with you agree to sign our release prior to or upon arrival at your first stop on the trip. (so says our lawyer)

Baja Bush Pilots Waiver and Cancellation Clause

Waiver of Liability and Consent and Registration Form

I intend to participate in activities sponsored by the Bush Pilots Intl Ltd. Organization (hereafter "BBI") in or outside of the United States of America, during which time I will either be operating an aircraft, or a passenger in a participating aircraft.

I understand that the activities involved may expose me to certain risks not normally encountered in my home country. These risks include, but are not limited to, exposure to sun, heat, and tropical climates, adverse weather patterns, limited airport and medical facilities, as well as a variety of differing customs, legal requirements and laws in any of the foreign countries that will be visited. The travel, activities, and locations in these countries could possibly expose me to tropical diseases, viruses, infections, malaria, cholera, insect bites, stings, poisonous snakes, as well as contact with plants and trees capable of causing allergic reactions in human beings. I also realize that the medical treatment facilities outside the United States are often quite limited, and cannot be expected to provide the same level of health care and emergency services, which I would expect in the United States. I also understand that the level of police protection, government stability, and emergency services may also be at levels below that which is customarily found in my home country.

The activities sponsored by BBI during this period, including the lodging, food, and services, are all subject to unknown conditions and circumstances within the host countries, which may be beyond the ability of BBI to control. BBI cannot fully guarantee that any of the accommodations, suggested routes of travel, airport services, or other facilities, will be free from change requirements, or in exact conformity with the written materials and information which have been provided. Every effort has been made to ensure that they conform with the written materials; however, BBI cannot and does not exercise any control over any of these accommodations, airports, or other facilities, which I will be using during this travel.

I also understand that the countries in which I will be traveling ordinarily do not have the level of police services, police protection, or freedom from criminal activity that is ordinarily found in the United States. Neither BBI, nor Jack McCormick are guarantors of my personal safety, the safety of any aircraft, or my personal possessions during any period of this travel activity. I understand that I must maintain all required aircraft, personal property, and medical and personal evacuation insurance necessary to protect the aircraft, my property or me during these activities described in the literature provided to me. I have received and reviewed written information describing the trip, activities, suggested routes, precautions, accommodations, and other useful information, and I understand that there may be modifications of some of these necessitated by situations encountered during the travel activities, which may be entirely beyond the control of BBI, its agents, servants or employees.

The pilot of each aircraft participating in these travel activities retains the sole and exclusive responsibility and discretion to determine whether or not to fly to or from any given destination, alter a suggested route, time of departure or arrival, or make any other changes which the pilot in command of the individual aircraft believes are in the best interests of the safety of the aircraft, and his or her passengers. BBI, Jack McCormick, their agents, servants or employees do not assume any responsibility or liability for the safety of any participating aircraft, pilot or passengers, during any of the travel, flight operations, or other described activities that are in any way related to those specified in the literature provided to me prior to this travel venture. BBI, Jack McCormick, his agents, servants and employees have made no representations or warranties to me regarding any of these activities, and I have received no promises or other warranties from any of them that they assume any legal liability or responsibility for any accident, injury, mishap, occurrence, or other adverse event, which might occur during these activities.

Baja Bush Pilots Waiver and Cancellation Clause

In the event of a dispute arising from my participation in these activities, or arising out of or in any way related to the travel, flight, airport facilities, accommodations or related services, for injuries, damages, or loss associated with such activities, I agree any and all disputes arising out of or in connection with these activities will be subject to mandatory arbitration before a single arbitrator appointed by a judge of the superior court in the county of Maricopa, Arizona, under the Arizona code of civil procedure, and procedures for the appointment and conduct of arbitrations of civil disputes, waiving the right of any appeal from the decision of the appointed arbitrator except in the case of fraud or willful nondisclosure of any actual bias or prejudice towards any party, and that all costs, attorneys' fees, or other fees related to the arbitration shall be recoverable by the prevailing party as defined by the arbitrator in any such matter submitted for determination. I hereby expressly waive my right to any other claim, lawsuit, or action for civil or other damages arising out of or in connection with the activities described herein.
