

Explore Loreto & the Sea of Cortez

Baja Sur, México
Oct 14 – 17, 2012

(Right after AOPA Summit in Palm Springs)

Join Jack and other BBP Members as we do an “Explore Loreto” trip. Quick, easy, simple and fun.
Four days and three nights all at the same great location.

No need to pack and unpack. Just depart from anywhere in the US (or Mexico) and land in Loreto, Baja Sur, Mexico. The BBP staff will be out on the ramp to meet you and walk you through the entrance procedures. It just can't get better than that.

Why Loreto

Loreto was the first Spanish settlement in Baja. Located about two-thirds down Baja, it has about 15,000 residents and, over the past period of years, has shifted its direction from a small fishing port to a major tourist area. No, it is not Cabo or the Gold Coast of the Yucatan but it is small, friendly, and a lot of fun.

Here you can do as much or as little as you wish. It might be easier to list what is not available however here you can golf, fish, ride horses, rent a car (or a quad), walk along the ocean, shop, eat, drink, sun by the pool, and more. You will not run out of activities.

Once you arrive, your ride will be waiting to take you to the Hotel Oasis for a welcoming drink and perhaps to kick off your shoes and walk on the sandy beach. The Oasis is a small intimate hotel located at the south end of the Malecon located right on the water and only a short several block walk to “Old Town” Loreto. The evening of our arrival, we will have a welcoming social followed by dinner and discussions of what you might be doing for the next several days.

There are not enough words to describe Loreto, to [see more about Loreto](http://www.loreto.com), go to <http://www.loreto.com>.

Like any long-distance travel venture with personal aircraft, there are some things we can do and others that are beyond our control. The BBP wants to recap those so there are no misunderstandings about any of it. After all, we take some of your money and this is what we can give and cannot give you for it:

We do and/or provide:

Try to find and pay for the best hotels with clean and comfortable rooms, some meals, occasional good music and periodic libations.

Arrange for fun side trips and excursions

Set up receptions for when you arrive

Suggest the best routes and times to fly

Provide some bus/rail transportation/shuttles

Provide airport security at some locations

Provide liaison with the hotels, airports, etc

Act as gracious host, cinema photographer, and confessional box to those who need it

Help to find assistance or mechanic if needed in case of an aircraft mishap or funny landing

And most important, we do provide an opportunity for a unique experience with fellow pilots and fliers, which generally proves to be more fun than you know what to do with.

We encourage you to obtain and possess (you can't get here without some of them):

Proper passports, visas, aircraft permits, licenses, insurance, emergency equipment

Aircraft and personal insurance, a flight plan, emergency information

Safety equipment, emergency equipment, pre-flight weather briefings

Proper charts, weather information, in flight data

Credit cards or cash for fuel, parking or airport fees, customs, immigration, or other duties required in foreign countries

Medicines with prescriptions, protective Rx's for heat, sun, insects, rashes, Montezuma's gift for *gringos*, and other common or not so common maladies.

Clothing, flashlights and any special diet foods

We cannot provide:

That the route, hotel, area, etc. that we travel to/stay in will be as indicated

Weather/flight/route guarantees

Five-Star Accommodations, electricity, hot water, and some times water period.

Guarantees of your safety or security, or that of the aircraft

Perfects landings or landing strips, tie downs everywhere, Taxis, umbrellas in the rain

So, for that and all your money, your self and all with you agree to sign our release prior to or upon arrival at your first stop on the trip. (so says our lawyer)

Waiver of Liability and Consent and Registration Form

I intend to participate in activities sponsored by the Baja Bush Pilots Ltd. Organization (hereafter "BBP") in or outside of the United States of America, during which time I will either be operating an aircraft, or a passenger in a participating aircraft.

I understand that the activities involved may expose me to certain risks not normally encountered in my home country. These risks include, but are not limited to, exposure to sun, heat, and tropical climates, adverse weather patterns, limited airport and medical facilities, as well as a variety of differing customs, legal requirements and laws in any of the foreign countries that will be visited. The travel, activities, and locations in these countries could possibly expose me to tropical diseases, viruses, infections, malaria, cholera, insect bites, stings, poisonous snakes, as well as contact with plants and trees capable of causing allergic reactions in human beings. I also realize that the medical treatment facilities outside the United States are often quite limited, and cannot be expected to provide the same level of health care and emergency services, which I would expect in the United States. I also understand that the level of police protection, government stability, and emergency services may also be at levels below that which is customarily found in my home country.

The activities sponsored by BBP during this period, including the lodging, food, and services, are all subject to unknown conditions and circumstances within the host countries, which may be beyond the ability of BBP to control. BBP cannot fully guarantee that any of the accommodations, suggested routes of travel, airport services, or other facilities, will be free from change requirements, or in exact conformity with the written materials and information which have been provided. Every effort has been made to ensure that they conform with the written materials; however, BBP cannot and does not exercise any control over any of these accommodations, airports, or other facilities, which I will be using during this travel.

I also understand that the countries in which I will be traveling ordinarily do not have the level of police services, police protection, or freedom from criminal activity that is ordinarily found in the United States. Neither BBP, nor Jack McCormick are guarantors of my personal safety, the safety of any aircraft, or my personal possessions during any period of this travel activity. I understand that I must maintain all required aircraft, personal property, and medical and personal evacuation insurance necessary to protect the aircraft, my property or me during these activities described in the literature provided to me. I have received and reviewed written information describing the trip, activities, suggested routes, precautions, accommodations, and other useful information, and I understand that there may be modifications of some of these necessitated by situations encountered during the travel activities, which may be entirely beyond the control of BBP, its agents, servants or employees.

The pilot of each aircraft participating in these travel activities retains the sole and exclusive responsibility and discretion to determine whether or not to fly to or from any given destination, alter a suggested route, time of departure or arrival, or make any other changes which the pilot in command of the individual aircraft believes are in the best interests of the safety of the aircraft, and his or her passengers. BBP, Jack McCormick, their agents, servants or employees do not assume any responsibility or liability for the safety of any participating aircraft, pilot or passengers, during any of the travel, flight operations, or other described activities that are in any way related to those specified in the literature provided to me prior to this travel venture. BBP, Jack McCormick, his agents, servants and employees have made no representations or warranties to me regarding any of these activities, and I have received no promises or other warranties from any of them that they assume any legal liability or responsibility for any accident, injury, mishap, occurrence, or other adverse event, which might occur during these activities.

**Bush Pilots Intl Registration Form,
Waiver & Cancellation Clause.**

In the event of a dispute arising from my participation in these activities, or arising out of or in any way related to the travel, flight, airport facilities, accommodations or related services, for injuries, damages, or loss associated with such activities, I agree any and all disputes arising out of or in connection with these activities will be subject to mandatory arbitration before a single arbitrator appointed by a judge of the superior court in the county of Maricopa, Arizona, under the Arizona code of civil procedure, and procedures for the appointment and conduct of arbitrations of civil disputes, waiving the right of any appeal from the decision of the appointed arbitrator except in the case of fraud or willful nondisclosure of any actual bias or prejudice towards any party, and that all costs, attorneys' fees, or other fees related to the arbitration shall be recoverable by the prevailing party as defined by the arbitrator in any such matter submitted for determination. I hereby expressly waive my right to any other claim, lawsuit, or action for civil or other damages arising out of or in connection with the activities described herein.
