Pegasus Airpark, 5AZ3

10:00a to 2:00p, and it is Free

Join us for our fourth annual BBP fly-in, and this time it will be Hot Dogs, Chili, Chips, and Brownies. Drive or fly in, do lunch, walk the static line, talk to others with similar interests, and enjoy the peaceful quiet and country atmosphere that Pegasus offers.

Sponsored by the Baja Bush Pilots, there will be BBP staff, members of the Flight and HOA Associations and others there to tell you more about the BBP as well as "Living the Dream" at an airpark.

Prizes, surprises, slide shows, and a lot more all on Saturday, April 12, Pegasus Airpark. Sorry, Helicopters are not allowed at Pegasus

Mark your calendar...Food, drink, airplanes, fun, and conversation.

And, if you are looking at airpark homes or property, we will have people here to show homes, hangars, and building lots.

And, then there will be drawings at about 12:30 for lots of neat BBP stuff including caps, shirts, airport guides, and more.

And.... we are "Kids friendly". Bring one or a dozen, we will have a "Bouncy House" for them to play in. Dogs at Pegasus, Queen Creek, Arizona, plan on making it....
